AMERICAN RED CROSS BLOOD DRIVE

Our most recent blood drive held on Friday, August 5 was a huge success. We collected 31 pints of blood helping to potentially save the lives of 93 patients. This was especially successful

following our blood drive held in early June, so a very special thank you to all of our tenants that participated. Your time and efforts are making a difference. Our next quarterly blood drive will be on Thursday, October 20 in Concourse One conference room.

eWASTE/ePLANET

Concourse collected approximately 3,235 pounds of electronic recyclable materials from our quarterly collection that was held on July 20. By recycling equipment,

we are reducing the waste going to the landfill. Please mark your calendars for our next electronics recycling collection day scheduled for Wednesday, October 12. This is a great opportunity to de-clutter your offices and homes. For a list of acceptable donation items email Remy Fulton at rfulton@cooa.com.

NEW FACES AT CONCOURSE

Regent Partners announces a recent change in their engineering department. As you know, Jacob Ruppel left Regent Partners for another opportunity. We are; however, happy to announce that Alfred "AJ" Davis has joined Regent Partners as our new Apprentice Engineer for Concourse Five.

AJ is from Blytheville, Arkansas where he lived before joining the United States Army. While in the Army AJ had most of his experience in executive protection. AJ moved to the Metro Atlanta area one year ago and recently purchased a house in Bethlehem, GA. While working at Concourse AJ will also continue to attend school, where he is working on a bachelor's degree in Strategic Security and Protection Management.
