MEET AND GREET

Gregory Wilson joined Regent Partners' management team as a Level Three Engineer assigned to Building Six. Before coming to Concourse, Greg worked at Milestone Management as a maintenance technician and prior to that as a security guard for AlliedBarton Security Services. Greg lives with his two children Gregory Jr., and Gekhai. In his spare time he enjoys spending time with his children, playing basketball and time with other family members and friends.

Alvin Smith joined the management team in January. He serves as a Level Two Engineer at Building Five. He most recently worked at PM Realty Group (PMRG) as a lead engineer. He has worked in the commercial real estate industry for eight years and prior to that worked in the hotel industry for 16 years. Alvin lives with his wife, Sharron, of 13 years and their daughter Kathy. He also has three older step children Michael, Maria and Erica. In Alvin's spare time he enjoys skiing, surfing, basketball, football and time with his family and friends.

Our new engineering administrative assistant, **Joy Allen**, also started at Concourse in January. Joy is the new voice you hear when you call with a service request. Joy has worked in the property management field for the past eight years, most recently as an administrative manager for Cousins Properties at the Crawford Long Medical Center Building, and previous to that as the customer service representative in the management office of Bank of America Plaza in Midtown. Joy lives with her seven year old son, Christian. On a personal note she enjoys cooking, reading and traveling.
