## FOCUSED ON ENHANCING YOUR WORK ENVIRONMENT

Beginning June 1st, the Concourse office lobbies will be undergoing renovations that will improve the tenant working experience. Our construction team will do their best to eliminate any inconveniences during the process and we will continue to keep you informed of any modifications to the construction schedule.

### Changes you will notice in the coming months include:

- A new light colored stone
- New modern finishes and furnishings
- Implementation of the Destination Dispatch in the elevator lobbies of Buildings V & VI
