Plum Creek Relocates to Concourse Five

Plum Creek

Growing Value from Exceptional Resources

is to grow, harvest and sell timber. They are one of the largest and most geographically diverse private timberland owners in the United States with approximately 6.4 million acres of land in major timber-producing regions of the country. Plum Creek owns and manages land to meet a variety of needs, including timber, recreation, conservation and development.

Plum Creek Timber Company, Inc. is a Real Estate Investment Trust (REIT) whose primary business

In Georgia, Plum Creek owns approximately 750,000 acres of forestland in 89 counties. They also know the value of reforestation. In 2012, Plum Creek planted approximately 25 million seedlings in Georgia and Florida, and the company plants approximately 60 million seedlings each year nationwide.

Plum Creek has been a tenant at Concourse since 2004. Their office was originally located in Concourse One; however, they renewed and relocated to **Concourse Five, Suite 1650**.

If you would like more information on Plum Creek, please visit www.plumcreek.com.

Sandy Springs Fireworks a Big Success

The City of Sandy Springs' inaugural **Stars and Stripes Celebration** at Concourse, although damp, was a great success! Approximately a thousand people braved the rain and were rewarded with an outstanding display of pyrotechnics in the sky.

The city hopes to make this an annual event. Hopefully, 2014 will prove to be a little drier!

cancer awareness month

Most of us know that October is Breast

Cancer awareness month. But did you know that September is also a time to learn more about Blood Cancer and Prostate Cancer? Every four minutes, someone in the United States is diagnosed with a blood cancer. Yet despite these shocking statistics, many people do not know very much about the disease, or any of the other blood cancers, until they are diagnosed. In Georgia, last year alone, more than 3,600 people were diagnosed with a form of blood cancer. Each September, **LLS (Leukemia & Lymphoma Society)** observes **Blood Cancer Awareness Month** to educate the public about resources available for blood cancer patients and their families. To learn more about awareness activities, contact **Kristy Case at kcase@lymphoma.org**.

“Who do you wear blue for?” is now associated with Prostate Awareness campaigns.

According to the American Cancer Awareness statistics, prostate cancer will affect one in six men. Prostate cancer is completely treatable when caught early. Encourage the men in your life to become aware of this disease and start the right conversations with their doctors. To learn more about prostate cancer, visit **www.whodoyouwearbluefor.com**.

electronic recycling collection

The results are in. Approximately 3,120 pounds of electronics were collected in our quarterly recycling collection day on July 25.

Thank you to all that took the time and effort to participate. Our next recycling day will be on **Thursday, October 24, 2013**, so mark your calendars now.

tenant raffle

Congratulations to our July tenant raffle winners! **Christy Colwell** with **BCD Travel** and **Chris Washington** with **Freud USA** were our lucky winners. Chris guessed the exact number of candies in the glass bowl!

Thank you to all who participated.

concierge corner

Stay informed of all the latest shows, concerts, and special events in and around town by being on the concierge e-mail list.

DON'T BE A VICTIM

We often find ourselves being in a rush almost daily. Sometimes we are too rushed to be attentive to our surroundings. This is when we become more prone to the threat of thefts and burglary. In order to remain safe we must take precautions while parking our cars in parking decks. Following are some tips:

- Lock your car doors and close all windows, including sunroofs.
- Do **NOT** leave valuables in your car. Take all valuables with you when you leave your car. If you do need to leave them in your vehicle, **PLEASE** make sure they are kept out of plain sight. Lock them in your trunk. If you do not have a trunk, hide them under the seat or under a blanket.
- Remember laptops and briefcases, sunglasses, clothing, keys, gym bags, any amounts of money (even small change), phones and other electronic devices (including chargers) are all tempting to a thief. If they don't see it readily accessible, they will most likely pass by your vehicle.
- Contact **Concourse Security** immediately at **770-395-3705** if your vehicle has been broken into.

WHAT WOULD YOU RATHER SPEND YOUR MONEY ON...YOUR COMMUTE OR A VACATION, YOUR KIDS, YOUR HOUSE?

The PTSC can show you how. **The Perimeter Transportation & Sustainability Coalition** is a Georgia non-profit organization that concentrates on reducing the amount of cars on the roads and highways each day.

The PTSC provides services to over 100 Perimeter area employers and can assist with identifying ways to make commuting easier and less stressful for your employees. Last year alone, participation resulted in 4,720,885 vehicle miles of travel eliminated from our roads.

They can offer you commute options such as carpooling, vanpooling, riding transit or even teleworking. They offer guidance on leveraging tax incentives for clean commuting and can reward commuters with cash incentives and prizes. You could be getting to work less stressed and with more money in your wallet!

Several offices at Concourse currently have individuals that are already using some of the Georgia Commute Options. Some of last years' **Commuter Champions** are employees from **Atlanticus, BCD Travel, Elavon, Safe-Guard** and **TIAA-CREF**, just to name a few.

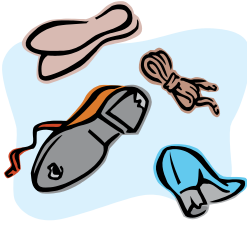

If you would like to learn more about this organization or to schedule an appointment with a member from the PTSC to make a presentation to your HR department or employees, please contact **Elyse Christensen** at **770-394-4540** or email her at **Elyse.Christensen@perimetergo.org**.
