CONCOURSE WELCOMES

**The Georgia Society
of CPAs**

**THE GEORGIA SOCIETY
OF CPAs (GSCPA)**

is the newest resident of Concourse Six. Residing on the eighth floor, GSCPA is the premier professional organization for CPAs in the state of Georgia. With almost 14,000 members throughout the state, the purpose of the society is to achieve excellence by providing superior advocacy, leadership, service, lifelong learning, and personal and professional development opportunities.

After 38 years of calling Buckhead home, GSCPA's move to Sandy Springs will allow the organization to continue meeting the needs of a growing association. Their offices consist of three state-of-the-art studio classrooms, two conference rooms and space for staff.

"Moving GSCPA's offices to the King building represents a significant investment in our membership. The move places our office directly in the middle of our local demographic while providing us with the space needed to meet our technology advancements as well as a platform for the face-to-face engagement that GSCPA members desire." said Boyd Search, CEO of The Georgia Society of CPAs.

WINTER STORMS

Snow and ice are not a typical occurrence in Atlanta; however, thus far in 2014 we have experienced not one, but two snow storms and the Concourse team was prepared for both. During each storm, the buildings remained open and staff from the property management, engineering and security teams stayed onsite overnight to ensure that the buildings were accessible and operational. In addition, updates were e-mailed to the tenants routinely to keep them aware of conditions. After experiencing these storms, we are hopeful that groundhog General Beauregard Lee was correct with his calling for an early start to spring.
